A= This item is oversized. Requires minimum shipping charge of \$20.00.

B= 1/8" Molded Industrial Polyvinyl (MIP) is resistant to moisture, temperature, and chemicals. This material will not dry, rot, or crack and is very durable and easy to clean. Mip Mats are vacuum molded from the original floor plan to cover the entire cab floor making installation simple. The MIP floor mat includes 36 ounce jute padding to provide a higher level of insulation against heat, cold, and road noise. Requires minimum shipping of \$20.00

A= This item is oversized. Requires minimum shipping charge of \$80.00.

B= Fits 1956 models with small rear window. Item may need to be shipped truck freight. Additional shipping will apply. Please inquire for price.

C= The Highliner replaces or adds a dynamic custom headliner to your standard cab pickup truck turning the cab into a music center featuring breathtaking sound. The Highliner

is manufactured out of high impact, leather grained, black ABS plastic and can be painted to match the interior of your truck. Add \$25.00 for any color other than black. The Highliner installs easily and includes four 4 inch air suspension speakers with a 5.8 ounce magnet, which will handle up to 10 watts of power. High temperature resistant voice coils for clean, crisp sound. Highliners come with foam speaker baffle and suppression pads, antenna extension cable, bezel plate, installation hardware, and complete instructions. This item is oversized and requires a minimum shipping charge of \$55.00. D= This item is oversized. Requires minimum shipping charge of \$50.00.
